

## Cannabis Compliance in Jamaica with Ample Organics

### I. All Licences

Tracking and Reporting Cannabis in Jamaica, as per The Dangerous Drugs Act		
Regulation*	Supported by Ample Organics	Dangerous Drugs Act (Cannabis Licensing) (Interim) Regulations, 2016
<b>I. All Licences (Cultivator, Processing, Transport, Retail, and Research and Development)</b>		
Weekly reconciliation of all ganja handled, sold, purchased and/or disposed of		5. (e)
Full accounting of all transactions undertaken, including the price for which ganja was purchased and sold by the licensee, and sufficient information as would enable the Authority to trace, back to the supplier, the ganja purchased by the licensee		5. (d)
Written report to the Authority as to the quantity of all ganja remaining in the cultivation or control of the holder upon the date of expiration		35. (1)(a)

## II. Cultivator's Licence (pt 1)

Tracking and Reporting Cannabis in Jamaica, as per the The Dangerous Drugs Act		
Regulation*	Supported by Ample Organics	Dangerous Drugs Act (Cannabis Licensing) (Interim) Regulations, 2016
<b>II. Cultivator's Licence</b>		
A proposal for the implementation of a system to monitor, track and trace all ganja cultivated on the proposed cultivation site	✓	11. (f)
Cultivation cannot exceed the maximum quantity of ganja specified on the licence	✓	14. (b)
Each ganja plant must be tagged with a unique identifier	✓	14. (c)
Intermittent reports on ongoing activities taking place on the premises – weekly for Tier 1 and every two days for Tiers 2 and 3. In the event of 'exceptional events', this report must be submitted with 24 hours. Reports may also be requested by the Authority at their discretion	✓	14. (d)(i)
Observation of directives given by Authority for the disposal of ganja cultivated in excess of amount permitted by the licence or which remains undried for more than twenty-one days after harvesting, unless paragraph 2(c)(i) applies	✓	14. (1)(i)(ii)

## II. Cultivator's Licence (pt 2)

Regulation*	Supported by Ample Organics	Dangerous Drugs Act (Cannabis Licensing) (Interim) Regulations, 2016
The bags provided by the Authority under this regulation shall be labelled with identifiers unique to the licensee, which may include the relevant licence number, a unique lot number and the result of any potency or safety tests done	✓	15. (3)
Any drying and curing of the ganja after harvesting must not exceed 21 days	✓	14. (i)

### III. Retail Licence

Tracking and Reporting Cannabis in Jamaica, as per the The Dangerous Drugs Act		
Regulation*	Supported by Ample Organics	Dangerous Drugs Act (Cannabis Licensing) (Interim) Regulations, 2016
<b>III. Retail Licence</b>		
Sale or use of ganja for the purpose specified in paragraph (1), shall be (a) in accordance with the prescription or written recommendation of a registered medical practitioner; or	✓	24. (2)(1)(a)
(b) limited, in the case of a person who is not ordinarily resident in Jamaica, and who satisfies the criteria mentioned in section 7D(10)(a) and (b) of the Act, to a quantity not exceeding two ounces, in accordance with a permit issued under section 7D(11) of the Act	✓	24. (2)(1)(b)
A log must be kept of all transactions bought, delivered and sold by the licensee	✓	25. (b)
